

WORK EXPERIENCE

- Sept. 2010 - present Distinguished Professor Emeritus, Civil and Materials Engineering Dep.
Director of Fracture Mechanics & Materials Durability Lab.,
The University of Illinois at Chicago, Chicago, IL.
- Sept. 2001 - Sept. 2010 Distinguished Professor, Director of Fracture Mechanics and Materials Durability Laboratory, the University of Illinois at Chicago (UIC), Chicago, IL.
- Sept. 1986 - Sept. 2001 Professor of Mechanics and Materials,
Director of Fracture Mechanics and Materials Durability Laboratory,
UIC, Chicago, IL.
- July 1984 - Sept. 1986 Professor, Departments of Civil Engineering and Macromolecular Science,
Case Western Reserve University (CWRU), Cleveland, OH.
- Sept. 1980 - July 1984 Associate Professor, Departments of Civil Engineering and Macromolecular Science, CWRU, Cleveland, OH.
- Aug. 1979 - Sept. 1980 Research Associate, Department of Macromolecular Science, Case Western Reserve University, Cleveland, OH.
- July 1974 - Sept. 1978 Associate Professor and Head of Fracture Mechanics Laboratory,
Department of Applied Mathematics, Novosibirsk Electrotechnical Institute, Novosibirsk, USSR.
- Sept. 1966 - July 1974 Assistant and then Associate Professor, Department of Mechanics and Applied Mathematics, Leningrad Military Engineering Academy, Leningrad, USSR.
